

Uribel®

(Methenamine, Sodium Phosphate Monobasic,
Phenyl Salicylate, Methylene Blue, Hyoscymamine Sulfate)

Valuable Coupon

up to **Save**
\$40
on your next
prescription, with
unlimited refills

(see eligibility criteria
on reverse side)

To redeem your Uribel® coupon:

1. Take your prescription for Uribel®, along with this coupon, to your participating pharmacy.
2. Give both your signed prescription and this coupon to the pharmacist. Be sure to get the coupon back so you can reuse it.
3. You will be responsible for the first \$10 of your out-of-pocket expense for each fill.
4. You will then receive up to \$40.00 off your remaining out-of-pocket expense for your prescription. You will be responsible for any additional out-of-pocket cost if it exceeds this amount.
5. Be sure to follow your doctor's instructions on how to take Uribel®.

ATTENTION MEDICARE PATIENTS:

Uribel is not covered by Medicare. You may use this coupon if you are paying the full cash price. See Eligibility Criteria on reverse.

Pharmacist: Therapy First Plus has been authorized to reimburse you up to \$40 of the patient's out-of-pocket expense after the patient pays an initial \$10 out-of-pocket expense. For reimbursement, please follow the instructions below: **For a Patient Paying Cash:** Please submit this claim to **Therapy First Plus**. A valid other coverage code is required. The patient's payment will be reduced by up to \$40 after they have paid an initial out-of-pocket cost of \$10 and you will receive this in your next reimbursement from **Therapy First Plus** plus a handling fee. **For a Patient Paying with an Authorized Third Party:** Submit the claim to the Primary Third Party Payer first, then submit the balance due to **Therapy First Plus** as a Secondary Payer patient responsibility amount billing, using Other Coverage Code Indication. The patient's payment will be reduced by up to \$40 after they have paid an initial out-of-pocket cost of \$10 and you will receive this in your next reimbursement from **Therapy First Plus** plus a handling fee. Other Coverage Code Indication Required.

Cannot be combined with any other offers.

Pharmacist: Submit this claim information to Therapy First Plus:

Group ID: LCLYC374

ID#: LYC195842976

CONTRAINDICATIONS: Hypersensitivity to any of the ingredients is possible. Risk benefits should be carefully considered when the following medical problems exist: cardiac disease (especially cardiac arrhythmias, congestive heart failure, coronary heart disease, and mitral stenosis); gastrointestinal tract obstructive disease; glaucoma; myasthenia gravis, acute urinary retention may be precipitated in obstructive uropathy (such as bladder neck obstruction due to prostatic hypertrophy). **WARNINGS:** Do not exceed recommended dosage. If rapid pulse, dizziness or blurring of vision occurs discontinue use immediately. **PRECAUTIONS: Cross sensitivity and/or related problems** - patients intolerant of belladonna alkaloids or salicylates may be intolerant of this medication also. Delay in gastric emptying could complicate the management of gastric ulcers. **Pregnancy/Reproduction (FDA Pregnancy Category C)** - hyoscyamine and methenamine cross the placenta. Studies concerning the effect of hyoscyamine and methenamine on pregnancy and reproduction have not been done in animals or humans. Thus it is not known whether **Uribel® capsules** cause fetal harm when administered to a pregnant woman or can affect reproduction capacity. **Uribel® capsules** should be given to a pregnant woman only if clearly needed. **Breast feeding** - problems in humans have not been documented; however, methenamine and traces of hyoscyamine are excreted in breast milk. Accordingly, **Uribel® capsules** should be given to a nursing mother with caution and only if clearly needed. **Prolonged use** - there have been no studies to establish the safety of prolonged use in humans. No known long-term animal studies have been performed to evaluate carcinogenic potential. **Pediatric** - infants and young children are especially susceptible to the toxic effect of the belladonna alkaloids. **Geriatric Use** - use with caution in elderly patients as they may respond to usual doses of hyoscyamine with excitement, agitation, drowsiness or confusion.

Eligibility Criteria: 1. This coupon is not valid if the patient receives partial or full prescription drug coverage under Medicaid, Medicare, TRICARE, federal or state programs (including any state prescription drug programs), or private indemnity or HMO insurance plans which reimburse you for the entire cost of your prescription drugs. A patient may use this coupon if they are paying the full cash price and no claim is submitted to Medicare. 2. Coupon is limited to 1 per patient for unlimited number of uses per coupon and is not transferable. 3. Offer good only in the U.S. 4. Mission Pharmacal reserves the right to rescind, revoke or amend this offer without notice. 5. You understand and agree to comply with the terms and conditions of this offer as set forth above. **Void if prohibited by law, taxed or restricted. Pharmacists only:** For any questions regarding **Therapy First Plus** online processing, please call the Help Desk at 1-800-422-5604. I certify that I have received this coupon from an eligible person and have dispensed the product as indicated. I certify that my participation in this program is in compliance with all applicable state laws and my obligations, contractual or otherwise, that I have as a pharmacy provider. I also agree to retain the coupon for 3 years or as otherwise required by law, whichever is longer, and to grant Mission Pharmacal the right to audit any of my submissions.

Available by prescription only. Please see Full Prescribing Information available at uribelinfo.com. UBL-005 Rev 0613
